

NORTHEAST TEXAS

**Teachers
Federal**

CREDIT UNION

TO ENROLL WITH NORTHEAST TEXAS TEACHERS FEDERAL CREDIT UNION ON-LINE BANKING

To apply for access to Northeast Texas Teachers On-Line Banking, simply call NETTFCU at (903) 785-6682 or (800) 634-2923 and ask to enroll in our on-line banking services. Once you receive your User ID and Security Code from the credit union, the service will be immediately available to you. The first time you access on-line banking you ***MUST*** change your security code as prompted by the system, ***KNOWN ONLY TO YOU*** to be in compliance with the terms of this agreement.

The Credit Union does not have a record of your security code number (we can issue you another one if you forget this one). When you sign on the first time be sure to change your Security Code to one that **ONLY** you will know. Select a number that would be hard to guess. It is suggested to stay away from social security numbers, birth dates, or variations of familiar numbers. Do not write it down or tell anyone the number. Change the number often. It is **YOUR RESPONSIBILITY** to protect this number.

Transfers made through Northeast Texas Teachers Federal Credit Union will be reflected on your monthly/and or quarterly statement.

This service will be available 24/7 except when off line due to maintenance or major unforeseen events.
