Traveling with your Debit Card

There are several things to remember when traveling with your Credit Union Debit Card

1. The card WILL NOT work outside the United States, or online for foreign purchases.
2. There is a daily purchase limit of \$500.00, and a daily limit of \$200 for ATM.
3. Many rental companies and hotels will place a hold for several days on your card, which will reduce the amount available for other purchases.
4. Always carry more than one source of payment in case your card is stolen, or flagged by the fraud department.
5. Make sure your cell number is listed as your contact number on your card. In the event the fraud department does lock your card, they will be able to contact you while you are traveling.
