Debit Card Reminders

1. There is a daily purchase limit of \$500.00 and an ATM daily limit of \$200.00 - unless you request a temporary limit raise.
2. Many rental companies, hotels, and various other businesses will place a hold for several days on your card, which will reduce the amount available for other purchases.
3. Make sure the Credit Union has up-to-date information for your account in the event there is suspicious activity and you need to be contacted.
4. Any time you travel outside of your normal area, please let the Credit Union know - this will keep your card from being locked due to suspected fraud.
5. If the Fraud Department contacts you regarding transactions on your account, you will never be asked to give enough information which could compromise your account.
6. Most importantly, never hesitate to contact the Credit Union if you have any questions regarding transactions on your account or if you are having issues with your debit card. We are happy to help and that's what we are here for!
